Description

A large Boulle Clock in excellent condition by the renowned maker VINCENTI . The eight day movement strikes the full hours and half hour on a blue steel gong, giving a good clear chime. The movement with the preferred earlier flat sides is impressed with the gold medal awarded in 1855. There is no lifting or warping to the brass inlay and everything is as it should be with no losses, additions or over cleaning. A superb Clock which would enhance the decor of a variety of rooms For other Clocks of interest, please view our stock page here or visit our website. www.frankcraigantiques.com
