Description

These charming frames are becoming increasingly rare to find. The rounded corners on the head end panel are lovely and create a nice shape and contrast to the angular, diamond shaped ironwork within the panel. Good detail in the decorative central casting, and across the clamps. Professionally restored to be sturdy and practical, the frames have been shot blasted, primed and hand painted with Little Greene's Pompeian Ash, with a dark wax over to preserve and shine. The side rails have been strengthened and adapted to support wood slats or a bed base. Suitable for standard UK double mattress size 4'6" x 6'3" / 135cm x 190cm Head height 112cm Foot height 36cm Side rail height 36cm Overall width 138.5cm Overall length 195cm Price includes wood slats (Sorry not mattress). As an alternative to the wood slats we can supply a 2" deep upholstered bed base – Bed photographed on slatted base with one of our Bordeaux mattresses. We can supply hand-made mattresses in all comfort choices. Please ask for details and prices or look at base and mattress section of our own web site.
