Description

This is a most attractive late 19th century Italian hand painted pier glass mirror with a lovely design dating from around 1870. The substantial frame has a curved corner profile with polychrome floral cartouche and gilded highlights. The frame itself is carved with a serpentine bowed design and the glass is the original 3/8" plate in good useable order with only the odd characterful mark here and there. A delightful antique mirror with great charm. This is a very useful size measuring 96 cms by 75 cms overall. UK delivery can be arranged with our trusted furniture courier and costs £55 plus vat to most areas. Some areas and extremities may vary, please email or text your postcode for an accurate quote.
