Description

A fine example of an early 17thc Charles 1 brass seal top spoon, it has the maker's mark RW stamped into the top of the bowl, with a fleur-de-lys mark below the initials....it has gained a very good natural colour and is in excellent condition....also from the wear on the bottom of the bowl, you can tell this belonged to a right handed person....just a joy to own..! English. C1620-40.
