Description

Committee Members AA badge serial number 12345, circa 1906-08. Telegrams Fanum London, telephone 4128 Central, and Stenson Cooke Secretary. The pennant to the top would have originally been removable, held in place on a square pole shaft by a miniature padlock. (now riveted) Mounting lug truncated and no mounting holes. Solid nickel, not recently cleaned or polished, old black dirt on the back will clean off. Diameter 4,3/8" or 112mm, height 7,1/4" or 184mm, weight 258 grams In very good sound condition, lightly speckled surface, small spot of solder on the the pennant pole fitting to hold it before it was riveted into place Later riveting part obscures the middle number of the sequence, looks different enough from the 5 so must be a 3
