Description

A stunning, fine and impressive antique 13.82 carat opal and 0.24 carat diamond, 18 carat yellow gold and platinum set pendant; part of our antique Edwardian opal jewellery collections. This stunning, fine and impressive antique opal pendant has been crafted in 18ct yellow gold with a platinum setting. The pierced decorated pendant features a stunning claw set 13.82ct elongated cabochon cut opal. The lower portion of the opal setting is further embellished with a trefoil shaped mount ornamented with three pavé set transitional modern brilliant round diamonds. The pendant suspends from a later 18' 18ct white gold curb chain via a linear bale ornamented with three further diamonds, securing to the reverse with a spring-loaded lobster claw fastening. This antique 1910's pendant has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18ct gold and platinum. This impressive Edwardian opal pendant in yellow gold is supplied with an IDGL diamond and gemstone grading report card. Images do not always reflect the true colour and brilliance of gemstones and diamonds. The video however provides a truer representation of the actual ...
