Description

A good example of an antique silver capstan style inkwell complete with a liner. It is a stylish and good quality piece with a large round base and hinged lid decorated with lined borders. There is a faint date engraved on the front '1916' and initials on the lid W.C.S.R. It is hallmarked for Birmingham, 1913 although the makers mark is worn. It is in good condition for its age and displays well. There are some signs of age and use, some general surface marks, a few light scratches and minor dinks and dents but overall it displays well. It has been gently cleaned and polished and is ready for use. Approximate Measurements: Height : 2" (5cm) Base Diameter : 3 1/2" (9cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
