Description

A good example of a large solid silver sugar bowl with gilded interior. It has two scrolling handles and a bulbous body standing on four ornate feet. It is stylish and good quality and weighs approximately 384g. It is clearly hallmarked for London, 1844 and the maker John Tapley. It is in very good condition for its age. There are a few minor signs of age and use, a couple of light surface marks and a couple of small dinks but no major damages or anything detrimental and it displays well. It has been gently cleaned and polished and is ready for use. Approximate Measurements: Height : 5" (13cm) Width inc Handles : 9" (23cm) Depth : 5 1/2" (14cm). The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £10, rest of the world £25.
