Description

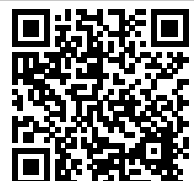

This charming little gabbeh has an indigo-blue field containing what look like stylised figures, surrounded by small quadrupeds - deer or gazelle. Gabbehs were used in the black tents for everyday use and when worn out, were simply discarded. Because of this, there are few surviving antique gabbehs now and they have become quite collectible. Size: 1.37 x 0.76m (4' 6" x 2' 6").
