19th Century Carved Carrara Marble Bust Of A Young Girl in a knotted Headdress after Jean-Baptiste GREUZE
This a well documented subject, our young girl has lived in the garden for a long time, she is very well weathered and if it is to your taste she could be cleaned. This bust was carved in the 19th century, it as been set on an Italian marble plinth which separates for transportation as can be seen in he last picture. A very dramatic piece and a rare find, needless to say vert heavy, it is 59" tall and, and 14" in diameter TNG216
