Sold**Item Reference: SA109511****Date of manufacture: 1920**

Description

It's rare to find one of these highly sought-after hand mirrors in a colour such as this wonderful jewel-toned Amethyst colour; as useful as beautiful. The back of the silver is covered in this wonderful guilloche enamel highlighting the decorative engine-turning underneath. The original bevelled glass remains intact, in very good condition with no loss of silvering, just minor surface scratching to be expected. The handle is where the English hallmark can be found for the well renowned silversmith, William Hutton & Sons, struck in 1927 at the Birmingham assay office. Excellent condition, measuring 9 5/8" x 5 1/4". Item ID: 33027 ----- FREE Worldwide Registered Airmail Directly From London, England
