

SA1095133

American silver sliding pencil

Price

Sold**Item Reference: SA1095133****Date of manufacture: 1900**

Description

Beautiful heavily embossed American sterling silver sliding pencil made by Fairchild & Johnson NY. This partnership existed from 1898-1905. It is marked sterling and the makers Mark FJ, on the opposite side is a blank cartouche. The pencil would appear to have had very little use, the sliding mechanism is quite stiff. L 15.5 cm open L 8.5 cm closed
