Victorian silver "Cameronians" whistle

Price

Sold**Item Reference: SA1095136****Date of manufacture: 1900**

Description

A lovely Victorian silver Cameronians (Scottish Rifles) whistle. Circa 1900, the suspension ring is marked with a lion passant. The Egyptian head is absolutely wonderful. This item is obviously AF, it would be great if it was complete, but still a rare item and would make a great addition to a whistle collection. L 7.5 cm D 1.5 cm
