Description

A beautiful and extremely well made antique inlaid mahogany console table. This was made in England, it dates from around the 1910-20's. It is of very fine quality, with a lovely design. The wood is fiddleback mahogany, which has a tight and striking grain pattern. There are inlaid borders or satin wood around all the edges, this sits on beautifully turned and fluted legs. We have had this recently re-polished, the condition is superb for its age. Width – 42 inches , 106 cm Depth – 21 inches , 53 cm Height – 30 inches , 75 cm
