Description

A fabulous Art Deco sapphire and diamond cluster ring with great style and panache. Eight circular diamonds are set square as a frame to the central square cut sapphire. The edges of the platinum setting are rounded which adds a nice contrast to the central sapphire in a perfectly balanced design which lovers of Art Deco style will appreciate. Fine engraving to the rub over setting enclosing the sapphire enhances the sparkle. The band has slim geometric shoulders in the platinum finish. The gold band then widens slightly before narrowing again at the base. Every detail is so elegant! A lovely ring in super condition. Hallmarks: marked inside 18ct and Plat. Measurements: Ring Size K Setting: 8 mm x 8 mm Width of band at base: 1.2mm Weight: 2.27 grams All measurements are approximate.
