Description

A fine and impressive pair of vintage 9.50 carat emerald cut aquamarine, 0.80 carat diamond and 18 carat white gold earrings; part of our diverse vintage aquamarine jewellery collections. These fine and impressive vintage aquamarine earrings have been crafted in 18ct white gold. The pierced decorated earring frames are each ornamented with a feature four claw set emerald cut aquamarine, totalling 9.50cts. The aquamarines are each framed with a scalloped wirework border accented with eight individually claw set transitional modern brilliant round cut diamonds. The vintage earrings for pierced ears secure to the reverse with a pin and hinged latch fastening. These impressive aquamarine earrings have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18ct gold. These vintage earrings are supplied with an IDGL diamond and gemstone grading report card. Images do not always reflect the true colour and brilliance of gemstones and diamonds. The video however provides a truer representation of the actual colour and showcases each stone. Condition These stunning vintage 1950's earrings are excellent quality, set with impressive ...
