Description

Large late 18th century English decorated elliptical console table. Decorated in its original paint with swags, cornucopia, fruit and flowers. This is a beautiful table in condition that we love but, please note the condition in the photos, might not appeal to everyone. The decoration to the base is vivid and well preserved whilst the top is faded and worn in areas and has an old varnish that is peeling in areas too

Internal Ref: S00214
