Description

A lovely antique pine sideboard dating from the late 19th / early 20th Century. There are two drawers, each with turned wooden knobs, above a large cupboard with two panelled doors. It has a shelved interior and stands on turned bun feet. The drawers open smoothly and the drawers and cupboards are generally clean and tidy inside. It is in good condition and the pine has a nice warm colour. It has been gently cleaned and waxed, retaining its lovely aged patina. There are signs of age and use, some marks here and there and an old repair to the top of one drawer (see photo) but nothing untoward or detrimental. It displays very nicely and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
