Description

A good size – 25mm square men's Omega De Ville watch (ref-111.071) in a Gold faceted case with an attractive brown leather strap in excellent condition. The manually wound movement has been fully serviced and is the excellent Calibre 620. The overall condition of this watch is very good . The case shows little signs of wear and we would guess this has only been worn a 'handfull' of times. An excellent vintage watch from 1970 .

Internal Ref: De Ville
