Description

Very beautiful and super quality three tier chandelier in Czech hand cut crystal with three bulbs, circa 1930. This is a really lovely size and the light refraction throughout the crystal certainly sets it apart from the typical cut glass lights. The three tier style with the brass frame contrasting the crystal so it also looks great when not lit too. Not a heavy chandelier, so it is easy to put up! You can increase the length of the chain section to suit your ceiling height, but the dimensions shown are for what you see here. Fabulous chandelier, whether you are hanging it over a dining table, kitchen island or as a centre piece in your living room or hall. Measuring: 18 1/2 inches or 47 cm height 12 1/2 inches or 32 cm current chain and ceiling rose height. 16 1/2 inches or 42 cm maximum diameter
