Description

This antique black forest bear stick stand is a stunning piece carved from linden wood to a high standard, it would make a great addition to any collection or solely to be used for its original purpose a stick and umbrella stand. With its intricate carvings and unique design, it's the hallway greeting you'll remember. Crafted in the late 19th century, this stick stand is a perfect example of the black forest style. The bear carving is beautifully executed with realistic glass eyes, making it a true work of art. Standing at an impressive 100 cm, width approximately 34 cm and depth approximately 40 cm, it's the perfect size and not too obstructive.

Internal Ref: SA2587
