Dimensions

Height = 30 cm (11.8")

Width = 25 cm (9.8")

Depth = 5 cm (2.0")

Description

An absolutely awesome antique diamond engagement ring. The natural diamond - graded as K colour by HRD Antwerp - tops up incredibly white, and fizzes with fire and brilliance. The clarity grading of SI2 is, to us, unfathomably harsh; the stone is not just eye-clean, but displays no imperfections even through a jeweller's loupe. We would have graded this as VS2. The diamond is secured in an eight-claw collet with triangular detailing in the gallery, leading to a slender 18k yellow gold shank with spear-shaped shoulders. Accompanied by a diamond grading report from HRD Antwerp. Cut: Old European cut. Colour: K. Clarity: SI2 (the stone is clean to the naked eye). Carat: 2.60. Circa: 1935. Size: M 1/2 (UK) or 6.25 (US). Free sizing available. Measurements: The diamond is 8.91 x 9.06mm. Sits 5.85mm from the finger. Weight: 3.48 grams. Metal: 18k yellow gold. Tested.

Internal Ref: 39912S333
