Description

This Good Quality Compact Mahogany Chest of Drawers has a generous amount of storage space while occupying a relatively small footprint. The four smooth running drawers are finely hand dovetailed with clean mahogany linings. The chunky brass handles add further evidence of the superior quality of this piece, as does the finely figured timber used for the drawer fronts. Standing on bracket feet, the simple crisp design of the piece means that it will work with both a traditional or more contemporary décor. Supplied with working key.
