Description

Pair of Georgian Revival Mahogany Elbow Carver Dining Chairs, Antique Quality, C1900 Armchairs. These chairs encapsulate the elegance of the Georgian era with their fine craftsmanship and striking design. Rest assured, each chair is meticulously constructed with no loose joints or woodworm, ensuring both durability and stability. Professionally upholstered with new fabric, they boast a fresh and inviting appearance. Admire the intricate crossbanding and line inlays that add a touch of sophistication to these chairs. The dimensions are 56cmW x 58cmD x 95cmH (with a seat height of 45cm and arm height of 67cm). Despite their age, these chairs are in good antique condition, showcasing historic knocks, marks, cracks, scratches, and repairs that contribute to their character. Any necessary repairs have been professionally handled, ensuring their functionality and appeal. Don't miss the opportunity to own these exceptional pieces, with stock No. 8200a. Enjoy a 30-day no-quibble money-back guarantee and take advantage of our competitive door-to-door shipping options within the UK and overseas. Elevate your dining experience with these Georgian revival mahogany chairs, a test...
