Description

An attractive Edwardian antique washstand with a marble top. The antique washstand has a gallery to the back with an earth toned patterned tiled back section, which sits upon the marble top. The white marble top is of rectangular shape and sits above two drawers with brass handles. The antique washstand is raised on turned supports. The marble top can be lifted off for ease of transport and movement. A clean example, of good proportions. Item Ref; M-5617 . DIMENSIONS: Height – 91cm / Width - 101.5cm / Depth - 47cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks to the top of the washstand.
