Description

This most impressive pair of 19th century highly decorative double candlesticks are made with an interesting Persian influence to their design. The candlesticks are finely cast, pierced and hand finished with a chasing chisel that gives them crisp and pleasing detailing. These bronze candlesticks are finished with rich original gilding and are in excellent condition with some light age related patination. French circa 1870 Height 31cm x width 19.5cm x depth 9.5cm
