Description

This counter is truly one of the best purchases we've made! It's beautifully crafted from deep, rich mahogany and bronze dating back to the 1920s. It was skilfully made by Pollards & Co. in London and has been lovingly restored to its former glory. The counter features a stunning bronze-framed Jewellery display top with 3 trays, drop-down doors with a mirror, and convenient cupboards below for extra storage. This is a must-have for any jeweller!
