Description

A late 18th or early 19th century Delft plate decorated with a very attractive polychrome floral design in shades of green, red and blue. It is initialed B.P on the back. I absolutely love this plate - the design is simple yet very striking! Condition: There are chips to the glaze around the edge, and a hairline crack extending from the rim towards the centre. Free UK delivery - the item will be sent using a tracked and signed for service. If you would like a quote for delivery elsewhere please get in touch.
