Description

A smart and extremely well made antique Georgian style mahogany bookcase. This was made in England, it dates from around the 1930's. The quality is superb and this is a very useful slim size, with lots of storage space. There are three generous drawers in the lower section with brass lions head ring pull handles. The corners are canted, this stands on bracket feet and has a lovely dental moulded cornice. The glazed two door upper section contains three adjustable shelves, there is also a useful sliding shelf that pulls out from just above the drawers. We have had this recently re-polished, the condition is excellent for its age. Width – 30 inches , 76 cm Depth – 16 inches , 41 cm Height – 70 inches , 178 cm
