Description

What an absolutely wonderful culinary taking point! A simply charming 1930's oak framed and glazed two door bookcase or display cabinet with blind fretwork detailing and a shelved interior. The cabinet doors have been later hand sign written as with advertising for Youngs eel and pie house. This fine establishment offered a range of London's gastronomic highlights, and the cabinet would look wonderful in a similar restaurant or café setting. Please see the other sign written furniture we have available. This piece has been later hand sign written.
