Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a very unusual solid 9ct gold two colour case, the main case is 9ct yellow gold and the bow shaped lugs are in 9ct rose gold. It's the only example we have ever seen. It has a new leather strap and still retains its original solid 9ct gold buckle. The watch looks almost unworn. The original dial is in wonderful condition and just stunning with gilt and hands and baton markers. It has a facet cut sapphire crystal glass which adds to the sparkle. It has the Omega logo on the winding crown. It has the reliable calibre 483 manual winding movement. The case and bracelet have been ultrasonically cleaned and polished so it is absolutely pristine. As you would expect from Omega the watch is fully marked on the dial, movement and case, the bracelet and case are fully hallmarked. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 18mm in diameter not including the crown. Overall this watch is in beautiful original condition and looks as if i...
