Description

A wonderful Art Deco burr walnut mirrored occasional side table. This was made in England, it dates from the 1930's. It is of superb quality and is a very useful size. The walnut grain patterns are gorgeous, this is nicely finished on all sides. The top has lovely moulded edges as does the plinth base. The central column is mirrored on all sides, giving a stylish and striking aspect to the table. We have had this stripped and re-polished, the wood is in superb condition for its age. The base has been recently re-mirrored and is also in great condition. Width – 52 cm , 21 inches Depth – 45 cm , 18 inches Height – 56 cm , 22 inches
