Description

Antique Late Victorian Twin Pedestal Desk. A fine antique desk in superb original condition. We are delighted to bring to you this superb quality late Victorian twin pedestal desk made in England C1880 from Walnut, ideal for any period study or office. This very usable desk is ideal to be used for a laptop or desktop computer with the bonus of being able to store a folded laptop or keyboard/mouse (wireless) in the middle drawer with the option of locking. This stunning desk is complete with its original French polished finish throughout with its idyllic lightly faded Walnut colour with patina. The back is panelled so is perfect for hiding those ugly wires and plugs etc. The desk features 9 large high quality skilfully dovetail constructed Mahogany lined drawers which descend in size. This desk is ornately embellished with double reeded mouldings to each drawer complete with reeded edges along the uprights. The desk has a lovely solid Walnut top with a beautifully polished top, moulded edge and small rear up-stand. The desk finishes to a lovely moulded plinth with faux bracket feet which conceal the desks original castors, making this desk easy to move. The panelled ba...
