Description

A French 19th Century Painted Frame Mirror, Original Foxed Mirror Plate 70cm. A superbly stylish, original 19th century, French hand painted pine frame mirror with giltwood and gesso ribbon decoration and wonderful foxed mirror plate, measuring 70cm tall. A striking French antique mirror of considerable decorative appeal, featuring a timeworn attraction of beige/green early paint and original foxed mercury glass which adds to its appeal whilst authenticating age. We estimate the mirror to date around 1860-1880 and likely former part of an internal architectural wall panel, overmantle etc..., we consider the paint to be its original decorative theme and tastefully done, probably from a French petit manoir or chateau. A very original French antique mirror, structurally excellent with obvious timeworn wear, which adds to its appeal. A versatile wall mirror for a dayroom, hallway, cloakroom, farmhouse kitchen etc..., or bedrooms, bathrooms and dressing rooms, an interior design piece that can enhance a classic or contemporary space.
