Description

Late 19th century French cherrywood 3 seater bench or settle in this wonderful original leather. Good decor piece but it is practical too, very comfortable for 3 adults to sit on for a table, or would make a fabulous piece for an entrance hall. Well carved throughout and is in good solid condition, with just two very small Knicks to the leather (front left corner and another right hand side of the back panel)...both are stable and will not increase in size.

Measuring: 39 1/2 inches or 100 cm high 63 3/4 inches or 162 cm wide 25 inches or 63.5 cm deep 18 inches or 46 cm seat height
