A stunning antique French inlaid marquetry marble top cabinet, dating from around the 1920's. It is of outstanding quality, the gilt bronze ormolu mounts are exceptionally well cast with incredibly fine details & check out the gilt bronze feet. There is beautiful inlaid marquetry of various woods on a burr walnut panel with king wood sides. The marble top has canted corners and has some wonderful colours and patterns. This is a very useful size and comes with two locking keys for the lower cabinet and upper drawer. We have had this recently re-polished, the condition is excellent throughout.
