Description

A lovely antique figured walnut coffee table in the Queen Anne style. This was made in England, it dates from around the 1930's. It is of wonderful quality, the circular top has beautiful grain patterns and gadrooned carving around the top edges. It stands on cabriole legs with shell carving at the knees, terminating in claw and ball feet. This is beautifully designed and is a useful size. We have had it re-polished, the condition is excellent for its age. There is just some minor wear remaining beneath the polish, this has a wonderful patina and colour tone. Width – 23 inches , 58 cm Depth – 23 inches , 58 cm Height – 16 inches , 41 cm
