Description

Gorgeous brick red forms the background of this early and collectable Turkoman carpet, with the classic columns of 'Gulli gol' in orange, green and ivory. Also light blue and highlights of golden yellow, this is as colourful as this type gets. With original four-cord, goat hair wrapped side cords, some kilim remnants top and bottom. In mostly good pile but showing some wear, a few old repairs and some insect damage. Available and priced as is. 7'6" x 10'5"
