Description

This is an exceptional example of a gents solid 9ct gold pocket watch made by Omega. This watch is Museum Quality and looks as if it has never been worn its unmarked and just perfect and original in every detail. It comes with its original box and the case hallmark dates its manufacture to 1941. The 15 Jewel gilt Omega 38.5 T1 movement is an absolute gem, sparkling clean and in new condition, this is a movement built to impress. The original white enamel dial is perfect there are no hairlines, cracks, chips or blemishes it is perfect. It has matching peacock blue hands again unblemished. This is an exceptional find, it looks like it has been kept in its box its whole life and probably never worn, it would make a wonderful present. Omega are one of the most exclusive watchmakers in the world and this watch certainly lives upto their high standards. The watch case measures 47mm wide not including the winder. The watch is running like new and keeping excellent time. The gold plated movement is one of Omegas finest and most reliable. This movement was in production from 1932 until 1966 a remarkably long production run. It is running to within 4 seconds per day, qu...
