Description

Fabulous Early 20thc Pottery Elephant Biscuit/Tea Jar c1930s. Beautifully potted and modelled as a seated elephant with raised legs and trunk, great majolica style glaze in greys, green and blue hues. The upper body, legs and head form the lid. Uncertain of who may have produced this as there appears to be no factory marks, quite a unique piece possibly. The only marks are 'EROS' to the base. Possibly a one off, fabulous and offered in very good condition.
