An 18thC French Antique Walnut Oil Jar Provence, Weathered Glaze 38cm diameter. A superbly stylish 18th century, southern France terracotta walnut oil jar with established timeworn olive green/brown glaze and original intact handle and low level hole for tap/plug for pouring, which could equally make a great lamp base access for cable. Dimensions Diameter 38cm Height 40cm. A striking antique bowl that has a practical use whilst considerably decorative, an interior design piece that can enhance a classic or contemporary space, farmhouse kitchen table, outside dining etc., a rare and special example.
