Description

Antique Omega gun metal pocket watch and chain. The watch has a good quality Omega stem-winding movement which is working nicely. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gun metal with gold plated embellishments, and it is in lovely condition. The inside of the case back is signed with the early Omega logo. The glass lens is in lovely condition. The dial has a hairline between 3 and 5, and a very faint hairline between 9 and 10. Blued steel hands. The watch comes with a double albert, each chain measuring 20cm long including the T-bar and the clasp. Also included is a fob in the form of a stone mason's hammer. The watch and chain come in a new presentation box.
