Description

A beautiful quality small Victorian silver and glass scent bottle with an all over spiral fluted design, the glass having been skilfully cut and polished to perfectly marry up with the cast wrythen fluting to the screw on silver cover. Hallmarked for London 1883 and the maker unsurprisingly is Sampson Mordan & Co. who are well known for making fine quality scent bottles and other high quality small novelty and collectible pieces. It measures 5.7cm (2 1/4") high by 2.5cm (1") wide. In excellent condition with just minor handling wear.
