Date of manufacture: Edwardian

Description

This exquisite Edwardian pendant features a graceful design crafted in silver gilt, accented with diamonds and rubies. The pendant's outer edge is elegantly scalloped, giving it a soft, flowing shape. Just inside, a delicate wreath of rubies adds a rich splash of colour, encircling the centre of the piece. Within this ruby wreath, a geometric grid pattern of gold and silver gilt catches the light, adding depth and texture. At the top, a dainty bow motif crowns the pendant, lending a touch of vintage charm to this luxurious, heirloom-quality piece. The combination of precious stones and intricate metalwork reflects the opulence of the Edwardian era.
