Description

A smart and very well made antique Edwardian occasional table in birch. This was made in England, it dates from around the 1900-1910 period. The quality is fantastic, this is a very useful size and looks great from all angles. It is finished identically front and back, there is a useful lower tier and this has lovely carving on the upper corners. We have had this recently re-polished, the condition is excellent. Width – 26 inches , 66 cm Depth – 20 inches , 51 cm Height – 29 inches , 73 cm
