Description

A fine and impressive 1.25 carat sapphire and 1.70 carat diamond, 18 carat yellow gold and platinum set cluster earrings; part of our diverse collection of sapphire jewellery. These stunning, fine and impressive vintage sapphire earrings have been crafted in 18ct yellow gold with platinum settings. The pierced decorated, cluster style earrings are each ornamented with a feature round faceted cut sapphire, eight-claw set in slight relief to the centre of the design. The sapphires are each encircled by eight transitional modern brilliant round cut diamonds, completing the cluster design. The earrings, for pierced ears, secure to the reverse with a yellow gold post and butterfly fastening. These 1930s earrings have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18 carat gold and platinum. This impressive pair of earrings is supplied with an IDGL diamond and gemstone grading report card. Such large examples set with stunning sapphires and high colour graded diamonds are becoming increasingly difficult to locate. Images do not always reflect the true colour and brilliance of gemstones and diamonds. The video however pro...
