Description

Royal House Antiques is delighted to offer for sale this absolutely stunning George II style late Victorian fully restored hand dyed brown leather high back sofa. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote, please send me your postcode and I'll provide you with the exact price. I've never seen another of this quality style and charm, it is simply exquisite throughout, the leather is period and original, we have restored it to include having the leather washed back, hand dyed six times, antiqued, sealed waxed down and polished, it now looks better than the original colour. The legs are all carved from solid slabs of mahogany, they have been stained and polished from new, the end result is something which should be classed as art furniture.
