Description

A 1967 Omega Constellation Automatic wristwatch. A silvered dial with a subtle brushed finish. Applied gilt hour markers with a central facet, doubled at the quarters. The hour markers and hands are a colour match to the more unusual rose gold finish. Date aperture to 3 o'clock. Applied Omega logo and script below. A rose gold capped case, far more unusual than the standard yellow gold finish. Brushed finish to the bezel, contrasting with the polished edges. Each lug has a side facet, matching the bezel edge. A screw down case back with the Geneva Observatory logo embossed to the centre, the Constellation lines logo. Case reference 168.018. A 24 jewel automatic mechanism, calibre 564 by Omega. Serial numbers date this watch to 1967. This watch is complete with its original Omega 'glass', winding crown, Omega leather strap and buckle. Case width (excluding crown) 35mm Case height 40mm Case depth 11mm From Kembery Antique Clocks Ltd you can expect a genuine wristwatch supplied with a presentation box that is in full working order and sold with 12 months guarantee.
