Description

Quality Antique French Carved walnut Bedside Cabinet dating from around the late 19th Century. The cabinet has ornate carvings, featuring swirling floral motifs on the front panels, which add a touch of classical charm. The craftsmanship is evident in the detailed wood carvings along the edges, while the turned legs provide a sturdy yet decorative foundation. The upper drawer and cabinet door offer practical storage, and the cabinet has a rich rossa marble top, adding a luxurious contrast to the deep, warm tones of the wood.
