Description

Beautiful 1930s Art Deco dressing table . Originating from England and oozing everything about this wonderful bygone era we've all come to love and admire, this dressing table is one not to be missed! Veneered in a blonde beech, it comprises one huge full circular mirror, a size we've never seen! Ideal for your fabulous display of perfume bottles, maybe the odd picture frame and vanity items and to the right side a cupboard with generous internal sized shelf for all those accessories you don't want on view, all of which rest on a stylized plinth. A very curvaceous piece of furniture that would make a real statement to any room, that not only looks stunning but is very functional too. As with all our furniture it comes to you in great condition, going through our workshops fully and professionally restored. All doors run smoothly and free from any defects. The mirror is without blemishes, no chips, scratches or foxing. The mirror on it's own is 118 cm diameter.
